

All,

The Court of Indian Offenses-Miami Agency will be conducting emergency hearings and transfers for ICW cases and criminal matters as needed. We will also be teleworking. I will send out a schedule of when we are physically in the office and will be accepting filings along with proper payment. Accepting filings via email will be waived by the Magistrate at this time with prior payment.

Court cases for the March and April Docket will be continued until the May 21st. Future hearings will be located at our new office just east of the Turnpike Gate in Miami. Address to follow and will be included in your Notices of Hearings. Should you need anything from myself or Deputy Court Clerk Terri Downs please don't hesitate to contact us. I will be available at the cell phone numbers listed below.

Stay safe all!
